LEBANON/U.S.  
EMBASSY ATTACK

RATHER: U.S. intelligence claims it now knows the group responsible for the bombing two weeks ago of the U.S. Embassy annex in Beirut. Sources tell Pentagon correspondent David Martin that the attack was carried out by a radical Shiite Moslem group called ~~\*Hezbollah~~ <sup>HEZBOLLAH</sup> or Party of God. That group is based in west Beirut and has ties to Iran. It also has been linked to last year's bombing of the U.S. Marine headquarters in Beirut.
